Question 1

Correct

Mark 5.0 out of 5.0

🚩 Flag question

Match each word to its meaning.

broken into small pieces, consisting of several separate parts

fragmented

✓

happen simultaneously

coincide

✓

the quantity of water falling to earth at a specific place within a specified period of time

precipitation

✓

continuously moving or changing from position or direction

shifting

✓

widely circulated or diffused, distributed over a considerable space, happening to a great extent.

widespread

✓

Your answer is correct.

The correct answer is: broken into small pieces, consisting of several separate parts → fragmented, happen simultaneously → coincide, the quantity of water falling to earth at a specific place within a specified period of time → precipitation, continuously moving or changing from position or direction → shifting, widely circulated or diffused, distributed over a considerable space, happening to a great extent. → widespread

Question 2

Correct

Mark 5.0 out of 5.0

🚩 Flag question

Match each word to its meaning.

the property of being crowded together

density

✓

a forceful consequence; a strong effect

impact

✓

having a capacity for change to suit new or different conditions

adaptive

✓

to act in return, to react positively or favourably

respond

✓

capable of being read with comprehension

accessible

✓

Your answer is correct.

The correct answer is: the property of being crowded together → density, a forceful consequence; a strong effect → impact, having a capacity for change to suit new or different conditions → adaptive, to act in return, to react positively or favourably → respond, capable of being read with comprehension → accessible

Question 3

Correct

Mark 5.0 out of 5.0

🚩 Flag question

Match each word to its meaning.

too large or too small in comparison to something else, or not deserving its importance or influence

disproportionate

✓

the release of a substance (usually a gas when referring to the subject of climate change) into the atmosphere

emissions

✓

to stress, single out as important

emphasize

✓
